

1st Workshop on Bioinspired Flight Systems

– Biomechanics, Sensing and Biomimetics –

14 March 2019

Sho-In Hall, Chiba University

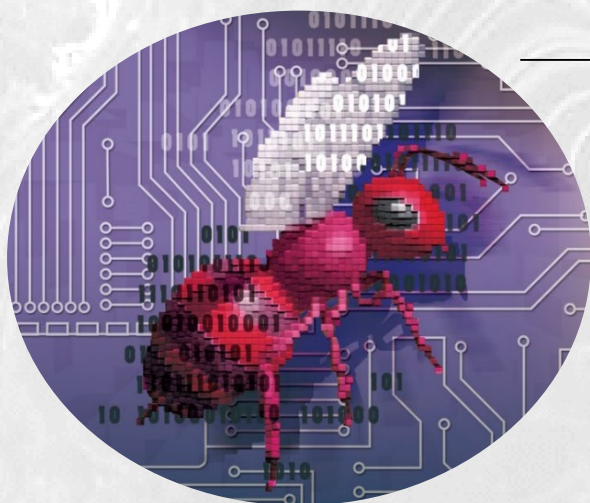

Invited Speakers

Dr. Sanjay Sane, National Centre for Biological Sciences, India

Dr. Xinyan Deng, Purdue University, USA

Dr. Pakpong Chirarattananon, The City University of Hong Kong, Hong Kong

Dr. Hidetoshi Takahashi, The University of Tokyo

Supported by Institute for Global Prominent Research, Chiba University

Organized by Next Generation Research Incubator “Bioinspired Engineering: Insects-inspired Big Innovation”, Chiba University
